THE OPPORTUNITY

A past, present and future as bright as the promises of God

International Ministries is celebrating more than 200 years of ministry. On February 6, 1812, Adoniram and Ann Judson were commissioned as missionaries and set sail for India. During their time on the waters while studying the Bible, the Judsons concluded that baptism was for believers and not infants. When they reached Calcutta they were baptized by British Baptist missionaries. They then sailed to Burma and appealed to Baptists in America for support.

Their life-changing decision not only celebrated individual new life pictured by baptism, but also anticipated the birth of a new gathering of people, partners and churches: a new society of Christians
who would support, and celebrate the work of mission. That group, formed in 1814, is known today as American Baptist International Ministries (IM).

IM has grown and evolved over more than two centuries of ministry. It is the oldest Baptist mission agency in North America. Its central mission is to help people come to Christ, grow in their relationships with God and change their worlds through the power of the Spirit. It works with respected partners in over 70 countries in ministries that meet human need.

From humble beginnings with two missionaries in Burma, IM is a family of relationships that today embraces more than:

- 120+ global workers
- 1,800+ volunteers annually
- 44 home staff
- 5,300 U.S. and Puerto Rico churches
- 200+ global Christian partners
- 70 countries

The work that God is doing through International Ministries is always challenging, life changing, empowering, fulfilling, surprising, and never ending.

Vision

Drawn from the Lord’s Prayer as recorded in Matthew, the vision statement for IM’s new guiding document is simply, “On earth, as in heaven.”

Purpose

American Baptist International Ministries works cross-culturally to invite people to become disciples of Jesus Christ, and to proclaim—through both word and deed—God’s reign of justice, peace and abundant life for all creation.
Core Values

The core values of Faith, Service, and Community shape the way International Ministries does mission.

**Faith** - We believe mission springs from God’s initiative, is guided by God’s Spirit and is accomplished through God’s power. We desire to be grounded in and faithful to Scripture in our understanding and practice of mission. We endeavor to follow the example of Jesus, who embodied God’s love by identifying with those he served. We continually call upon and listen for the guidance of the Holy Spirit in prayer. We strive to live out our faith in all we do.

**Service** - We believe Jesus met human need with a holistic salvation, one that touched all aspects of life. We witness to Jesus Christ in ways that include verbal proclamation of the gospel, response to human need and care for creation. We cultivate integrity, stewardship, honesty, transparency and accountability in all aspects of our work. We encourage flexible and creative responses to the leading of the Holy Spirit as we seek to be of service to God, God’s people and the world.

**Community** - We believe God calls humanity into relationships of love and support in community. We care for all people with whom we work, both those who are served and those who offer their lives in service. We engage in mission in ways that respect the giftedness of all our partners and the diversity that God creates and in which God delights. We are committed to partnership and cooperation with a wide range of agencies, both within and beyond the American Baptist movement, to fulfill God’s call and our mission. We strive to build relationships of mutual giving and receiving.

We commit ourselves to these core values, to repent when falling short and to seek the power of the Spirit to embody them more fully in the future.

It also hosts The King of Prussia Mall where more than 400 brand-name stores await exploration. Nearby Philadelphia boasts some of the richest cultural and historic areas in the country. The cost of living in Pennsylvania is 10.5 percent lower than the US average, and with an average household income of $43,714, it’s good to know that outside of the bigger cities, prices are lower than other East Coast regions.

The climate is characterized by warm summers and generally cool to cold winters. While summer temperatures are uniformly warm throughout Pennsylvania, low lying areas and those nearer the Atlantic Coast are milder in winter compared to the State’s colder and snowier mountain regions.
THE SEARCH AND SELECTION PROCESS

The Search Committee of the Board of Directors is charged with vetting candidates for the position and is assisted by Bruce Dingman and Dr. Rich Kidd of The Dingman Company. The process will in sequence include the release of an opportunity profile with an invitation for people to respond personally or recommend persons to be considered, the review of resumes, questionnaires, telephone interviews and in-person interviews by Dingman representatives.

Next, references and backgrounds will be checked, degrees verified, and extensive candidate profiles will be prepared. Then the Search Committee will interview a short list of top candidates in person.

By God's grace the preferred timeline is to present a candidate to the Board of Directors in March 2016. We solicit your prayers for this entire process.
